No Looking Over My Shoulder
No Hiding Pictures
No Friends Covering For Me
No Lying To You
No Sneaking Out

“Loving Just One”
is As Much Fun....

SE-5

People tell me that you aren't good
for me. You will bring me down
and I won't be able to rebound.
They want to judge us based on
what they see, but if they knew our
love they would just let us be.
Having to deal with everyone
each time we go out, the looks we
encounter when we have no doubts.
Let them keep spending time
wondering how far it will go, but
what they don't know is we have a
“Love Nobody Knows.”

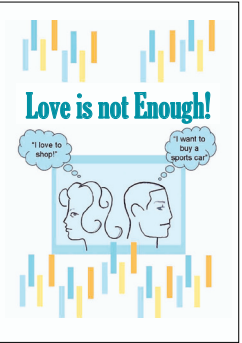

SE-9

Our time has winded down and we
don't have any more time to keep
messing around. We have spent
plenty of time talking with others
to talking with one another.

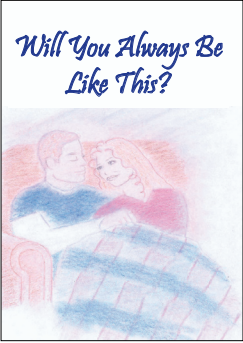

Having spent this amount of time
together doesn't mean we can't part
as friends. What's ahead for the
both of us, only time will tell, but
one thing I'd like to say is . . .

“I Wish You Well.”

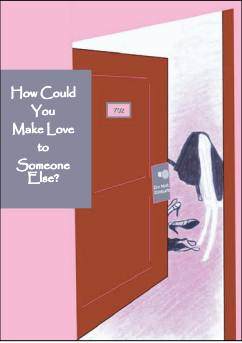

SE-13

We have responsibilities as a family
to keep a roof over our head and
food on the table as long as everyone
is willing and able. You have the
backing and support and all of the
motivation to work, but you end up
solely depending on me to support the
family.
We need more than love to stay
together for me to continue respecting
you as a partner when things keep
getting tough;
we may find out one day,
“Love is not Enough!”

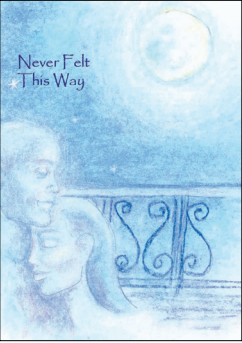

SE-2

Everyone tells me that as time
passes by you will change, that no
one can be this nice and remain the
same. They say you have your best
face on but after spending a lot of
time together, will you be like all
the rest and put our relationship to
the test?
Will you always be like this or will
you change and start playing those
little games?
Let me know, Will You Always Be
Like This?

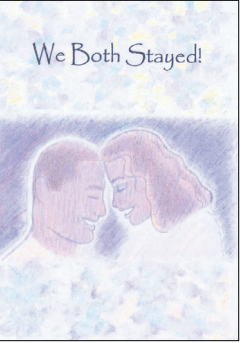

SE-6

There is no excuse that you needed
someone to talk to. There are a lot of
people we both know, you had other places
to go.
You say you are sorry and don't know how
you could have lost your head while I still
remember the times you said you were
with your friends, you were with someone
else instead.
I thought everything would be worked
out between you and me and if things
didn't work out, we would part with some
dignity. How could you let someone else
share the same special place that I thought
was reserved for me and forever betray my
trust, there is nothing left between us...
“How Could You Make Love to Someone
Else?”

SE-10

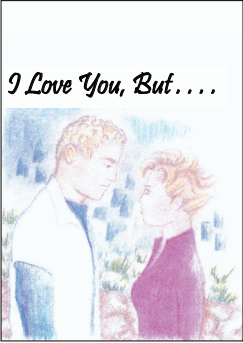

I will wait on your call and drive 100
miles if I have to, just to hold you in
my arms and spend some time with
you. I've never been the type to go all
out for another, I always knew that if
someone left, there would always be
others.
This new feeling that's come over me
has me counting the minutes to hear
your voice, life is full of surprises and
decisions and this time I finally made
the correct choice. There's nothing I
wouldn't do and no mountain I wouldn't
move for you. You're the only one to
make me say,
I've “Never Felt This Way.”

SE-14

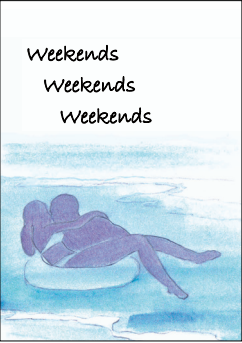

To finally feel this good took time
to build. The foundation has been
laid and this time, we worked hard
to fix everything.
I don't want to go back to where
we were before; it's time for us to
move in a positive direction.
We need to keep getting stronger
and this time our love will last
longer. I keep saying to myself
everyday, I'm glad....

“We Both Stayed.”

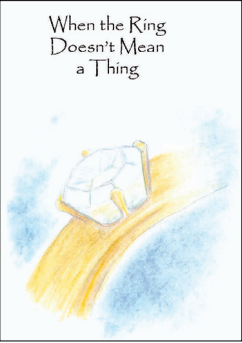

SE-3

I Love You, But I can't keep taking
this ♦❖❖❖!
We keep going back and forth
through all of this and I can only
hang in there for so long.
I Love You, But...
I won't keep taking this.

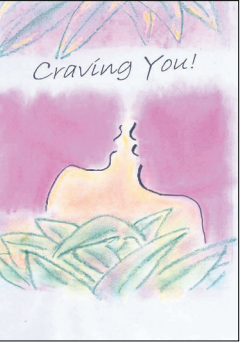

SE-7

I love spending time kicking back
or going away with you. To go
through the week and be able to
look forward to spending some
quality time with you is why I look
forward to the “Weekends.”

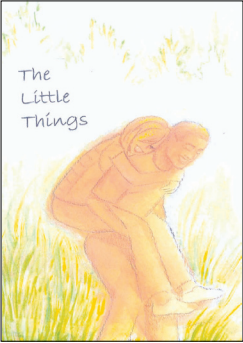

SE-11

Starting a brand new life together as man
and wife meant more than anything to me, it
was the answer to my dreams.
Somewhere along the way you forgot the
promise to love me until death do us part. I
can't believe that you could put on a ring and
have such a deceitful heart.
I still remember how being single was but
when I commit myself, I don't do the same
things just because. Sometimes love is so
strange, you can spend years with someone
and never realize they've changed.
“When the Ring Doesn't Mean a Thing,”
you have lost the true meaning of why we
committed our lives to each other and vowed
to live our lives together.

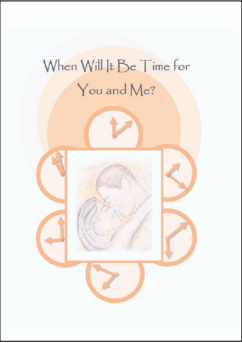

SE-15

I keep getting hungry
and I know what I need.
All the best restaurants can't satisfy
me.
Just “Craving You”
through the day,
wanting you
in every way!

SE-4

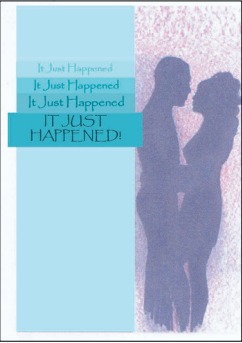

Making that extra call to see if I'm
doing okay and sending a dozen
roses to wish me a good day.
These are some of the reasons
why you are special to me, it's
“The Little Things” that makes our
love complete....

SE-8

We keep talking and saying we are
going to spend more time together,
but as the weeks go by we can't
keep blaming it on each other.

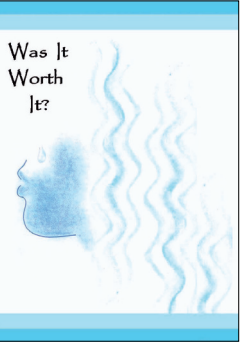

Spending more time with you is
where I want to be . . .
“When Will It Be Time for You and
Me?”

SE-12

Is this the only thing you can say
to me? I have to understand how
something like this could occur. I
deserve a better explanation from
you than . . .

“It Just Happened.”

SE-16

What was supposed to be a secret,
has come out in the open. The way
everything has turned out, I know
this is not what you were hoping.
The smoke has cleared and now
you are stuck with the choices
you've made.
I hope everything was fun while
it lasted, now you have to ask
yourself. . .

Was It Worth It?

SE17

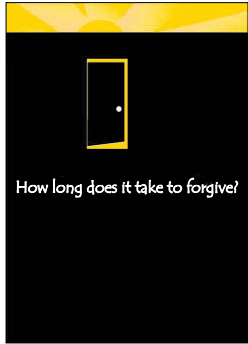

To finally meet someone like you is my dream come true. I've been to many places and seen many faces and I have heard many lines that ended up wasting my time. I'm looking for someone who will always care. I'm looking for a sure thing, not any type of fling.

Are You My Sure Thing?

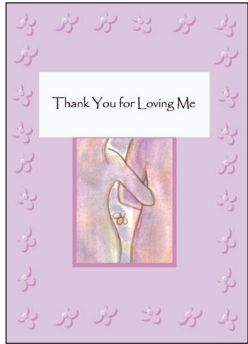

SE-18

SE-19

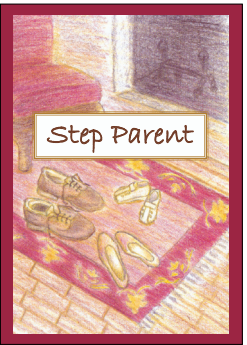

a day?
a week?
a lifetime?
I hope the door is still open and we can talk soon.

SE-20

Where I was before you came into my life is not where I am today. I have learned a lot from you along the way that has made me a better person today.

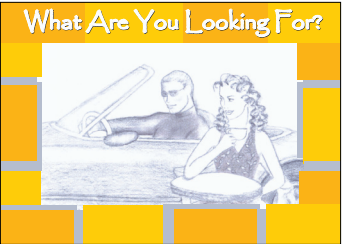

Thank You for Loving Me

SE-21

You came into my life although I questioned why, being a step parent for me despite everything and never said good-bye. It takes a huge commitment to take on someone else's responsibilities, but you always made me feel there was nobody more important than me.

Thank You for being a real parent.

Are You Looking for Someone Who

- ☐ Drives a nice car
- ☐ Has their own place
- ☐ Has a well paying job
- ☐ Looks good
- ☐ Acts real cool
- ☐ All of the above
- or
- ☐ Someone Like Me

What Are You Looking For?

SE-23

I have seen and heard some of what you are going through and I always wondered why those things would happen to you. You are a wonderful person and good things should come your way, that is why I don't like seeing you like this everyday. Instead of calling or writing you a letter, this is my way of reminding you that.....
